While the main focus in Mirissa is the beach, it is a good starting point for excursions, especially to the Yala National Park.

A short distance to the interior you can find rubber and coconut plantations, ancient temples and spice gardens.

Another highlight is the traditional Devil Dance, a Southern Sri Lankan special. Known for its healing powers, Devil Dancers are invited to help speeding up the recovery process of illnesses. A great thing to watch and/or even participate.

Mirissa has a lot of small charming restaurants, most of them directly on the beach. Fresh seafood, traditional Sri Lankan meals and international specialties are available at reasonable prices.
